

TELERADIOLOGY SERVICES
by
Uevolve Pvt Ltd, India

**Transforming
Tomorrow,
Together.**

WHO WE ARE

Uevolve Pvt Ltd is a venture aimed at providing holistic health solutions – from diagnosis to care delivery and beyond.

www.uevolve.in

An on-demand Teleradiology platform solving the problem of radiologists shortage and high latency in medical reports through matching cases from hospitals from all over the world with the optimum radiologist remotely and instantly and decreases the reporting time through the use of AI enabled DICOM viewer.

High qualified reports within 12 hours and less than 90 minutes in emergency cases.

Second opinion

Zero cost setup for all clients everywhere.

Accurate report from highly qualified Subspecialty Consultants Radiologists (MD, FRCR) .

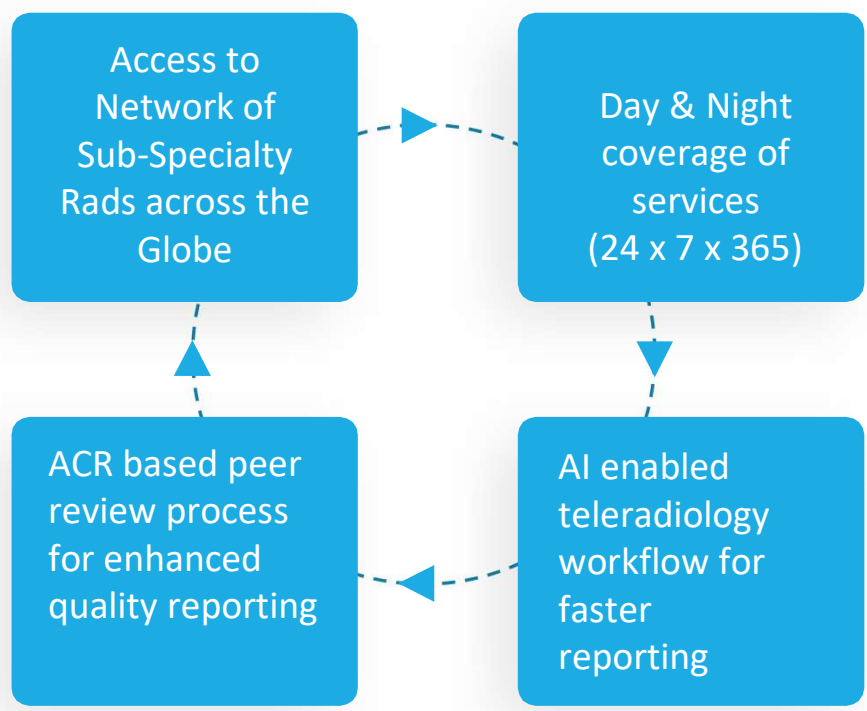

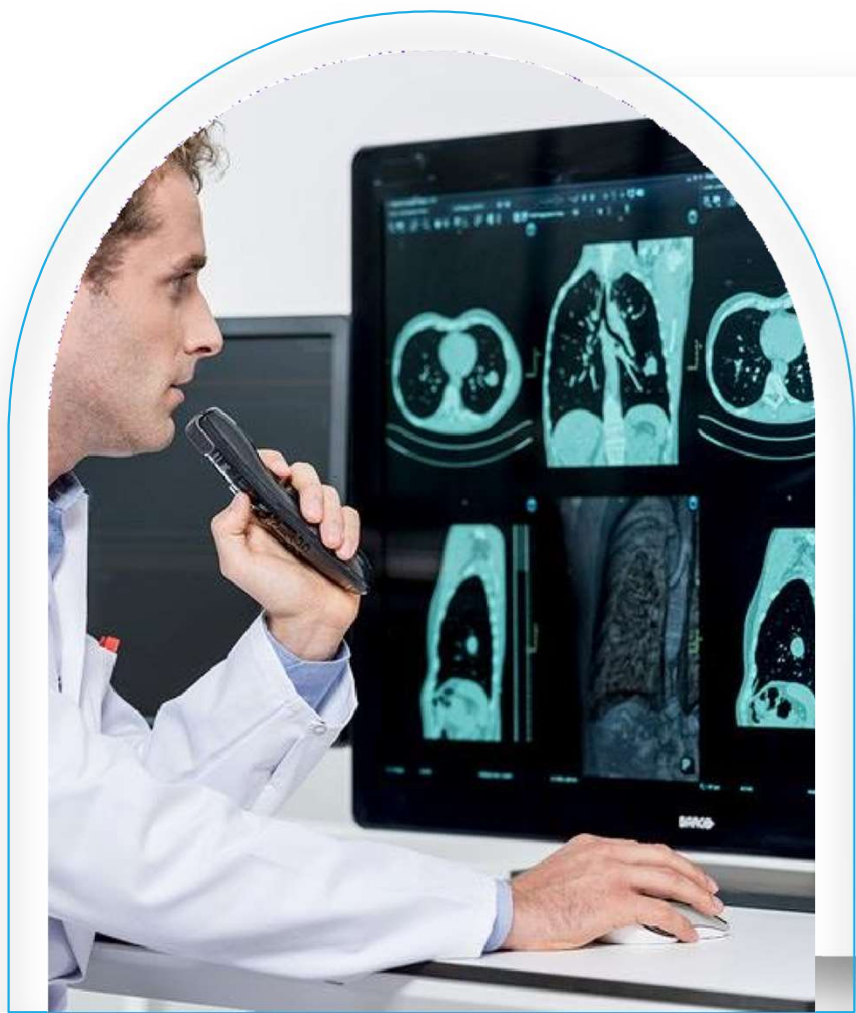

On-demand coverage whenever you need us any time of the day any day of the year.

Web-based with zero setup cost and zero hardware -you can log in and go live in a matter of minutes.

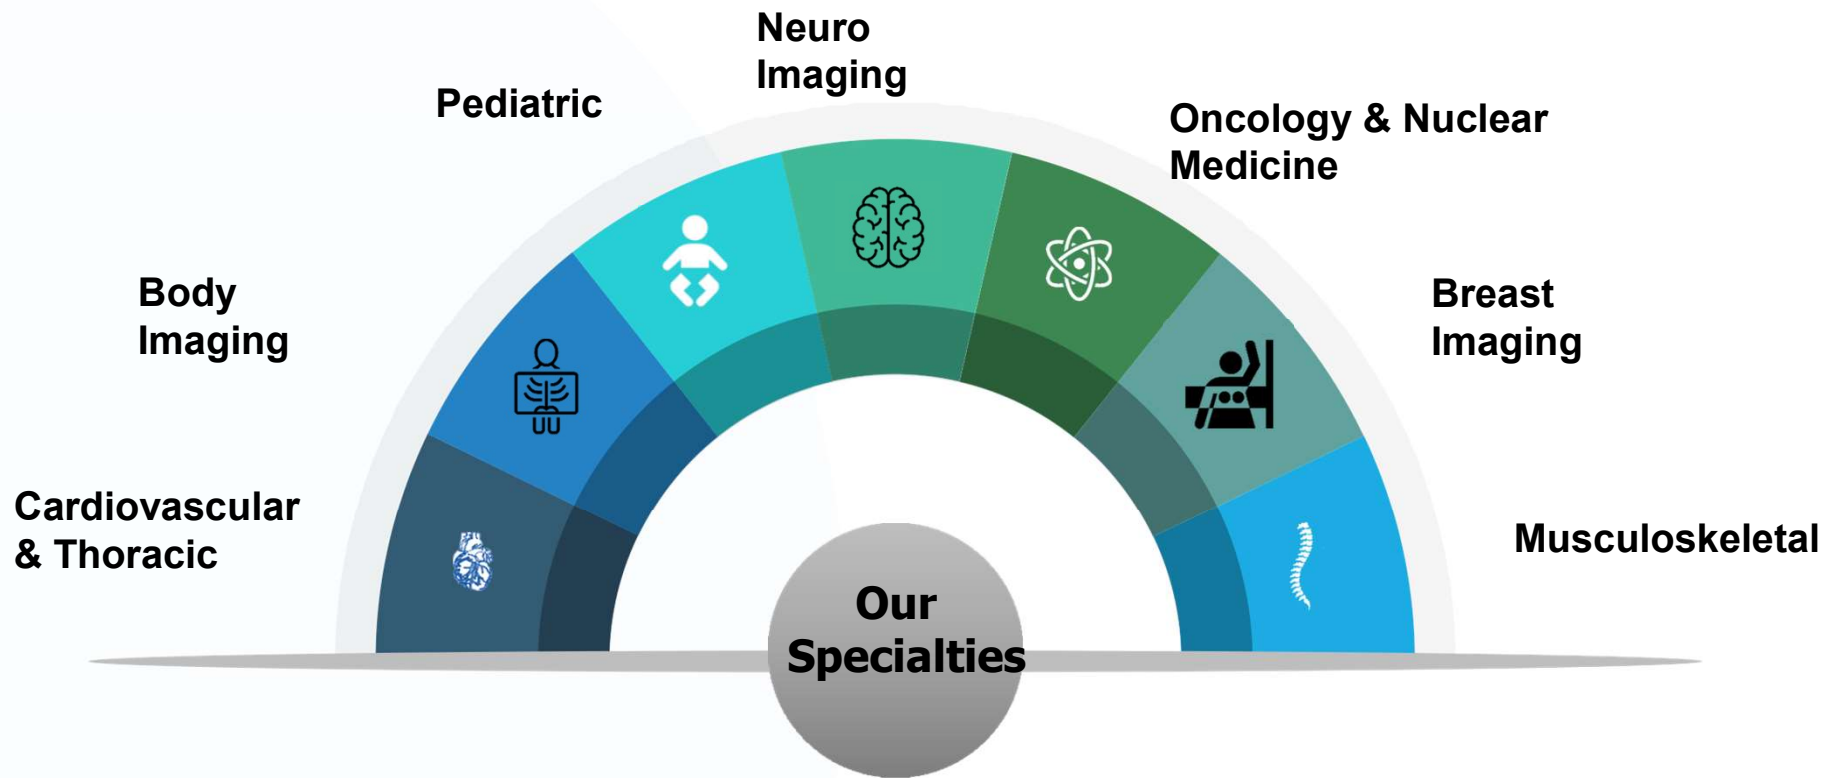

Cover all subspecialties Available 24 hours a day, 7 days a week to cover all of your cases.

We will set up your trial and contact you.
